

St Mary's Teddy Bear Parachute Jump

9th August 2025

All photographs courtesy of John Alexander

Our volunteers getting ready to attach parachutes

More volunteers at the registration desk

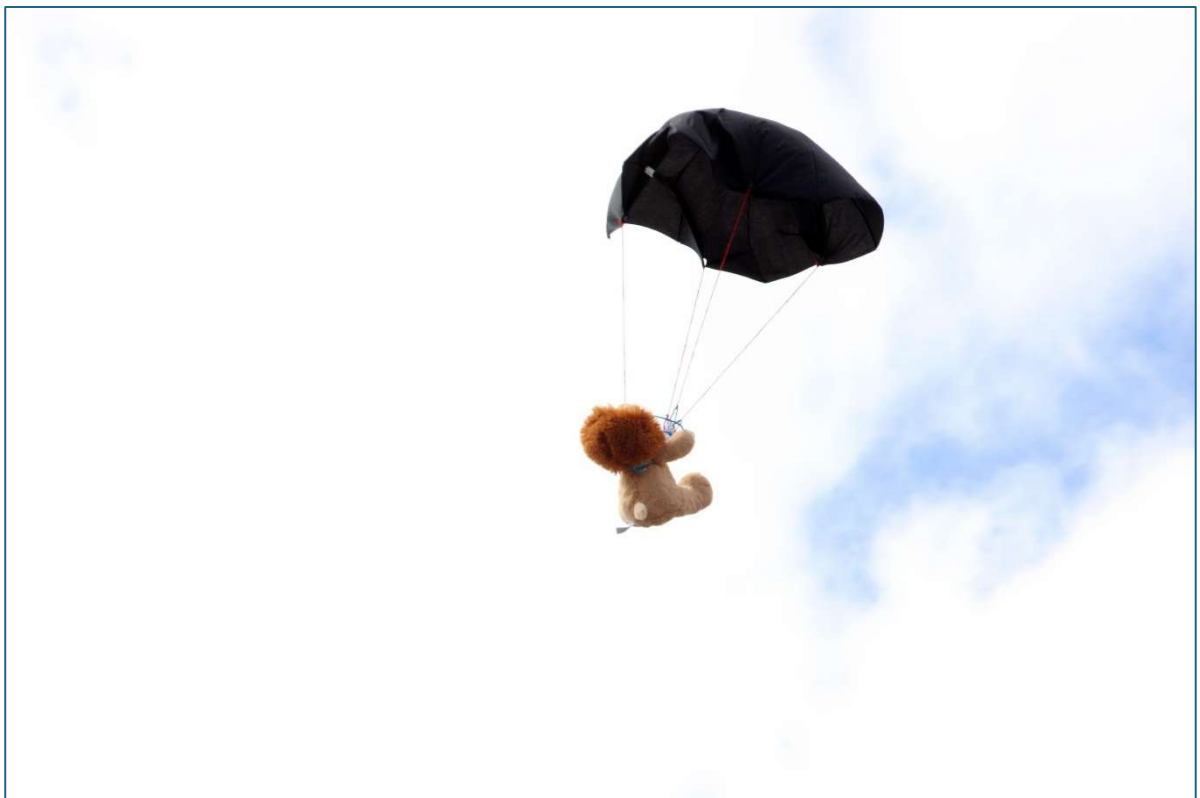

Our Rector geared up for lift-off

The Rector and some of the fire crew – ready to launch

First brave teddy lifts off!

King of the jungle as you have never seen him before!

The wind was a help and a hindrance!

This teddy looks like he/she is enjoying the ride

Our friends from Love Your Planet promoted the event in the shop and were very proud of their certificates

Thank you to our friends at Balmossie Community Fire and Rescue Station
